

August 2023

Dear First Grader and Families,

Welcome to first grade! We hope you are having a fun summer. We are very excited to begin a new school year here at Bancroft on **Wednesday, August 30st**. We have been busy planning and setting up our classrooms!

First grade is a year full of adventures and we will be learning many new things! We will explain the exciting units planned for our class on the first few days of school.

In addition to your supplies, please bring with you one special picture of you with your family or friends. During the first few days of school, we will share our pictures with the class. We will hang them up in our classroom for the year. Also, please don't forget to bring a snack, both food and drink. First graders eat one snack each day.

We can't wait to meet you! We know we will have a great time learning together. Enjoy the rest of your summer!

Sincerely,
The First Grade Team
